SPRING RALLY; 28th /29th APRIL.

The Spring Rally took place at Yarmouth, Isle of Wight. Although the winds were light, we were all able to enjoy the warm sunny weather, and were pleased to be joined by boats travelling from Poole, and Chichester.

After an afternoon of meeting up with old and new friends, we gathered on the pontoon for drinks and nibbles, (just a little bow in the pontoon!)

Dinner was at the Royal Solent Yacht Club, providing us with the magnificent views over the solent, an excellent meal was enjoyed by all.

During the week-end , several people expressed their enthusiasm to attend a beaching-boat week-end, so on Friday 27th July , a rally has been organised at Bembridge Beach.

Further details please contact Penny.

We wish everyone a safe, sunny sailing season
